Aleš Horvat: Sine sole sileo

25 March–23 April 2022

artKIT

You are cordially invited to the opening of **Aleš Horvat's** solo exhibition **Sine sole sileo**, which will take place on **Friday, 25 March 2022, at 7 p.m. at the artKIT gallery**. At the opening event, the author's poetry will be read by actresses Minca Lorenci and Maruša Majer and actor Primož Pirnat.

Horvat's *Office Art* is about denying the self-evidence of everyday objects. For the artist, watering flowers was a given. Even though there were no flowers at all. There was soil, soaked in tea, and instead of a clay pot, there was a perforated can of peas. Underneath, carelessly stacked square leaves waited for the moisture to break through the soil and leave a trace. Horvat's works form a landscape between theme and darkness, the exhibited and the real, between work and material.

Admission is free. You can attend the event in accordance with the NIPH recommendations.
