Sašo Sedlaček: Oblomo

15 April–14 May 2022

MMC KIBLA / KiBela

You are cordially invited to the opening of the exhibition **Oblomo** by **Sašo Sedlaček**, which will take place on **Friday, 15 April 2022, at 7 p.m. at KiBela, space for art.**

Can laziness be the ultimate form of labor in the age of automation? In *Oblomo*, Sašo Sedlaček uses the same technologies that otherwise force us to be constantly active – such as biometrics – to explore the issues of the fast-approaching work-free society. How can we adapt the latter to economic structures based on sustainable growth? How can we earn money, buy goods and pay bills without working? Is it possible to turn non-work into productive activity?

Production: Aksioma – Institute for Contemporary Art

Admission is free. You can attend the event in accordance with the NIPH recommendations.
