Vlatka Škoro: Half a Human, Paul Newman and the Pack

4 March–9 April 2022

MMC KIBLA / KiBela

We kindly invite you to the opening of the sculptor **Vlatka Škoro's** solo exhibition entitled **Half a Human, Paul Newman and the Pack**, which will take place on **Friday, 4 March 2022, at 7 p.m. in KiBela.**

The animal sculptures that the artist has devoted herself to in recent years fill us with a certain homeliness and even humanism. Despite the realistic look, a deeper look reveals their characters, the subtle psyche. A pack of African dogs and a massive anthropomorphic creature, whose human-animal traits seem bizarre, in its fascination carry the message of the world and man and their symbiosis and responsibility to nature.

Admission is free. You can attend the event in accordance with the NIPH recommendations.
