

31 YEARS OF SHAME:

Amnesty International Slovenia's exhibition on the 31st anniversary of the erasure

7 April–6 May 2023

artKIT

We kindly invite you to the opening of the exhibition **31 years of shame in the company of the erased and Amnesty International Slovenia (AIS)**, which will take place on **Friday, 7 April 2023, at 7 p.m. in artKIT.**

On 26 February 1992, after the erasure from the permanent population register, 25,671 people were left overnight without a legal status, without valid documents, without rights. The consequences were merciless: they were left without jobs, without the possibility of education, without access to a doctor, without social assistance, thousands were deported from Slovenia, etc. The exhibition is a tribute to the courage and unwavering perseverance of the erased, who rose from the darkness and pain of loneliness, united and organised themselves into a movement, into a resistance, into a multi-year campaign. They collectivised themselves and civil society and created the strongest, most long-lasting and enduring movement we know.

We dedicate this exhibition to Aleksandar Todorović, an untiring fighter for redress for the erased.

You are invited to sign the petition of Slovenian Amnesty and the Peace Institute for the government to finally right the wrongs. Sign the petition on the QR code or at www.amnesty.si/peticija-izbrisani.
