

Kamila Śladowska: Healing bodies, healing ecosystems

31 May–29 June 2024
artKIT

You are cordially invited to the opening of the solo exhibition *Healing bodies, healing ecosystems* by Kamila Śladowska, which will take place on **Friday, 31 May 2024, at 7 p.m. in the artKIT exhibition space.**

»The exhibition expresses my anxieties related to anthropocene and my small-scale efforts to find ways of healing them.«

Healing bodies, healing ecosystems is a painting sanatory, sensorial ecosystem of her thoughts and experiences aiming to question and search for strategies in the times of catastrophes.

The painting installation consists of diverse media objects, such as paintings, interactive sound objects, edible elements, text fabrics, a hydrofeminist mind map etc., creating altogether a space for the spectators to feel, experience, empathize, engage and reflect.
