Vuk Ćosić: Dear Karl

26 April–25 May 2024

artKIT

You are cordially invited to the opening of the solo exhibition *Dear Karl* by **Vuk Ćosić**, which will take place on **Friday, 26 April 2024, at 6 p.m. in the artKIT exhibition space.**

In 2011, the Berlin-based Digital Art Museum initiated and mediated the artistic collaboration between Karl Lagerfeld and Vuk Ćosić. The aim of the project was to create a website to complement the publication of Lagerfeld's *The Little Black Jacket*. The project was canceled soon after the initial preparations and never published.

The exhibition is the first public presentation of a series of fourteen photographs resulting from the authors' collaboration. The creative exchange was based on a series of photographs of celebrities from the world of fashion, music and film wearing the iconic *La Veste*, the preeminent example of the 20th century fashion canon.

Visitors to the exhibition are protected from any infringement of the copyright of the fashion Kaiser. The securely packaged duplex photos thus show their substitutes as they are interpreted and described by artificial intelligence.
