Maribor Art Walk

Explore 20+ Contemporary Art Spaces

Friday, 19 September 2024, 17:00–21:00

For the third time, Maribor Art Walk once again brings together more than 20 contemporary art spaces in the city this September. Between 17:00 and 21:00, all venues will open their doors and invite visitors to a programme of exhibition openings, guided tours, talks and other events taking place throughout the evening. In most venues visitors will have the opportunity to purchase artworks. A shipment of art awaits you!

Maribor Art Walk is organised by the founding creative partners Maribor Art Gallery, Trampolin, Maribor Puppet Theatre, Studio Habitat, and Tkalka Gallery in cooperation with private, non-governmental organisations and public venues in Maribor.
