Barbara Jazbec: Blissful ignorance
11 November–12 December 2026
artKIT

You are cordially invited to the opening of the solo exhibition ***Blissful Ignorance*** by intermedia artist **Barbara Jazbec**, which will take place **on Wednesday, 11 November 2026, at 6 p.m. at the artKIT exhibition space.**

Blissful Ignorance is an interactive installation that uses humor and irony to explore our relationship with technology, consumerism, and electronic waste.

At the center of the space stands a pile of discarded electronics – once indispensable devices, now nothing more than remnants of technological progress. But the pile is not entirely dead. It watches, speaks, and tells its story: EARTH > MINE > FACTORY > SHOP > YOU > DRAWER > TRASH > ?

Blissful Ignorance does not condemn technology itself. Instead, through the absurdity of our everyday habits, it questions our understanding of progress and the responsibilities that come with it.

Premiering in Maribor, Barbara also presents the installation *Do I Believe in Life After Love?*, which was first shown at the Nova Gorica City Gallery in December 2025.
