

# UNLOCKING THE PUBLIC REALM

How Arts and Design Transform Urban Space

Can innovation and creativity shape public spaces and bring about more livable, more sustainable cities?

The conference brings together artists, designers, curators, architects, city planners, developers and local residents to debate the issues and to showcase inspirational examples of transdisciplinary urban interventions.

**FRIDAY, 29 JUNE | 9AM – 6PM**  
**Central Saint Martins, Kings X**
